The Ladies of the Aid Society, of the Methodist church, will have a market of goods things to eat on Saturday before the first Sunday in April and May. Due notice will be given as to where they will be.

The people of Lancaster and Garrard county are cordially invited to attend the opening of spring and summer goods at Miss Minnie Eastham's millinery parlors in Danville Saturday March 23. All the newest creations in ladies' headwear at most reasonable prices.

This office is always glad to publish notices for churches and church societies, and we never make any charges for same. Now it does seem that when we do this those wanting the notices should write them out as should appear. Write it the way you want it, and there's no charge for publishing it.

A Good Entertainment.

The graduating class of the Lancaster Graded school has secured the services of Mr A Lincoln Kirk to give an entertainment at the court house, Friday March 29. Mr Kirk has a wide reputation as an entertainer and those who attend are assured of an evening of great pleasure and fun.

Easter Exchange.

The ladies of the Christian church will have an exchange in the room next to J A Beazley's, on Danville street, Saturday, the 30th. Bread, sandwiches, dressed fowls, cakes and candy will be sold at very low prices. This is for the benefit of the Hazel Green school. Ice will be served at 2:30. This is for a good cause, and your patronage will be appreciated.

Dates Selected.

A meeting of the stockholders of the Garrard County Fair Association was held Saturday and Sunday, 23 and 24 selected as dates for the meeting. It was decided to add two new features this year, that of hogs and poultry. W B Burton was made president, J Y Robinson 1st vice president, Woods Walker 2nd vice president, R L Elkin secretary-treasurer and Charley W West assistant secretary.

Twenty One Years.

The case against Jones and John Simpson, charged with murder and arson attracted a large crowd to the court house. Every point was closely contested and many witnesses introduced. The jury returned a verdict of guilty and fixed the punishment at confinement in the penitentiary for twenty-one years. The case against Curt East is now in progress.

Association Formed.

The "Garrard Duroc-Jersey Association" is the name of an organization just formed by prominent Garrard county citizens for the purpose of promoting the hog-raising industry in this locality. Bro Tindler was elected president and R L Elkin secretary. Meetings will be held from time to time when there will be an exchange of ideas and matters discussed which will bring good results to all concerned.

Main Point Omitted.

In publishing the card of Mr J R Mount, in last issue of The Record, the compositor failed to set the most important feature therein, namely "I am unequivocally opposed to the sale of whisky." Mr Mount tells The Record that he will do all in his power to stop the sale of liquor and will never cast a vote in the interest of the whisky people. He had this in his card, but, as stated above, the printer failed to set it and the editor missed it in reading the proof.

Sanator Farris Candidate.

At the solicitation of his many friends, Sanator George C Farris has consented to make the race for representative of Garrard county in the next legislature. Mr Farris is too well known to the people of Garrard for us to say one word in the way of an introduction. His fight for the abolition of blind taxes is enough in itself to secure any office in the gift of the people. He stands upon his record as a public official, solely, and asks the voters of Garrard county to consider his claims simply upon his record.

Death of Miss Mary Grimes.

The funeral of Miss Mary Grimes, whose death took place Monday morning, was held at two o'clock Tuesday afternoon from the family residence on Lexington street. The service was conducted by Rev F M Tindler. Miss Grimes was suffering of tuberculosis for several months, but was not seriously ill until a week ago when she grew rapidly worse. Miss Grimes was the eldest child of Mr and Mrs Charles Grimes and a woman of lovable character and strong religious nature. She was a member of the Christian church. Interment took place at the Lancaster Cemetery.

Lost, Saturday, old gold watch chain, about size of half-dollar. Initials "W. R. G." on one side, with small diamond. Engraved work on other side. Reward for return to W. R. G. 2c.

Better Be Careful.

You have all you can do to pay for your own discretion. Some day one near and dear to you may fall—the prison doors may open to a son or the scarlet letter of eternity blight a daughter. When a home is in mourning over tragedy, the best thing you can do is to keep your mouth shut unless you can say something that will come as a rift in the clouds. Then again you know that you may be no better than your neighbor; the only difference is that your neighbor was caught, and you, up to date, have kept the sunlight away. Be charitable, for you know not what day or what hour the blight will appear in your sacred circle.—Topeka Capital.

Thomas Marksbury, of Mercer county, has sold his crop of hemp, 16,000 pounds, at \$6 per 100. It was raised on 13 acres of land, which averaged a fraction over \$70 per acre, the highest price paid for hemp in that county for years.

T F Cannon, Avon, Ky. says: I have used Bourbon Hog Cholera Remedy and will say it cured my hogs of a very bad case of cholera. Several of these hogs could not eat and I had to drench them with the medicine. Sold and guaranteed by Mount & Elkin.

The Department of Agriculture has announced that the average yield of wheat in the United States is 19 bushels per acre. This is the average product, but there are as many acres yielding less than 12 bushels per acre as there are yielding more. The greater part of wheat in this country comes from the small farms, in spite of all that is said of the big wheat fields of the Dakotas.

After deducting all the expenses incident to mowing and sowing his crop of hay last season, a Simpson county farmer is credited with having realized the handsome sum of \$22.00 an acre for that portion of his farm which is down in grass. This considering the fact that the land only cost him \$25 an acre to begin with, should be an eye opener to farmers who are bending their energies in the direction of raising crops that don't produce half, and often times not one fourth as much.—Franklin Favorite.

Why is it the up-to-date farmer says wheat used to be worth a dollar a bushel? Since those days farm lands advanced, dry goods have advanced, clothing, meat and canned goods, lumber, steel and iron, nails and iron fencing have advanced all of them from 25 to 100 per cent. Everything has advanced except wheat. The dumpers are selling it to-day for about 75c per bushel. Right in the midst of the greatest era of prosperity this country has ever known they are selling their wheat at "hard time" prices.

COMPLAINT IS MADE ABOUT PHONE RATES

Traveling Man Declares He Was Charged An Exorbitant Price.

Lexington Herald:—The long distance telephone rate as being charged by the East Tennessee Telephone Company is made the basis of a complaint which came to the Herald office through W S Smith, who resides at 184 East Fourth street. The charges cover the demand of exorbitant rates and were such that they may warrant an investigation.

In order to get at the facts in the case a Herald reporter called at the offices of the East Tennessee Company and asked Mr Armstrong, the cashier of the company, for a statement on the subject, laying the facts before him as presented by Mr Smith. The cashier said:

"I remember the circumstance of Mr Smith coming to our office and getting connection with Maysville. He talked for five minutes, which, at the rate of 30 cents per minute, came to \$1.50, and there was 15 cents messenger charges, which brought the total bill to \$1.65. Mr Smith made no complaint as to the number of minutes put down against him, nor of the messenger charges, but he did complain of the rate and declared that it was exorbitant and had been known the rate before talking he would not have used the telephone."

"Did Mr Smith know the rate before asking the connection?" was asked.

"I am inclined to think he did not, because he stated that the operator ought to have made him acquainted with the rate before talking, as he could then have used his own judgment."

"Is the 30 cent per minute a level rate?"

"Yes, but no connection is made any where over the long distance for a less period than three minutes. That is our rule. This would have made the rate to Maysville, in any event, 90 cents, and as Mr Smith talked two minutes over the allotted time we charged him the extra two minutes at the 30-cent rate and the messenger charges made up his account as I have stated."

"Is there any difference between the day rate and the night rate for long distance tolls?"

"Yes, the night is half the cost of the day rate. In case of fractional cents we charge full five cents."

"Was Mr Smith a regular patron of the long distance telephone?"

"I have no personal knowledge of that. He stated to me that he had been a frequent patron of the long distance, and in that event I thought he ought to be familiar with the rate."

Does your three-minute rule prevail on all connecting lines as well as your own?"

"It does so far as our company is concerned. We charged the same rate and apply the same rule to all points with which our lines have any connection."

According to the statement made by Mr Smith he had first made application to the Fayette Telephone Company for the same connection, which had been offered him for a minimum charge of but 25 cents, but owing to inability to get connection with the desired point, he went to the Tennessee Company, expecting the same rate would prevail. This additional toll caused the complaint to be made.

The reporter next asked the manager of the Fayette Company for a statement concerning the rates charged by his company for the same telephone connections to Maysville. He said:

"Our present charges to Maysville is at a 25-cent rate. There is no stipulation that a patron must talk a given length of time. He gets his connection for 25 cents, and while I am inclined to the belief that this rate is a trifle too low to be profitable, yet those are our charges and they are now in force and effect."

Mr Smith, the complainant, represents a New York firm and is a traveling man, but resides in this city, as above stated.

Worked a Like Charm.

Mr D N Walker, editor of that spicy journal, the Enterprise, Louisa, Va. says: "I ran a nail in my foot last week and at once applied Bucklen's Arnica Salve. No inflammation followed; the salve simply healed the wound." Heals every sore, burn and skin disease. Guaranteed at McRoberts Drugstore, 25c. 1m

Big Music Festival.

Railroads will grant reduced rates from all points in Kentucky to Louisville April 18 to 20 on account of the Music Festival which will be given on those dates in the new Armory building in that city. The festival will be the biggest musical event given in the South. A chorus of 300 voices has been organized for the occasion and will be assisted by many eminent soloists and by Walter Damrosch's New York Symphony Orchestra with Mr Damrosch as conductor. Madame Marcel la Sembrich will be the principal soloist.

Isn't This Town
A Pretty Good Town?
If Not, Why Not?

How do you like the town you live in? Pretty fair sort of place, isn't it? Otherwise you'd move to some other town, wouldn't you?

But you don't think much of this town, you say? Well, what's the matter with this town? If there's anything wrong, let's all get together and right it.

All of us live here, and we ought to pull together. Nobody living in New York or Chicago or St. Louis or San Francisco is going to do any pulling FOR us.

On the contrary, some of those cities are doing a lot of pulling FROM us. They not only pull away some of our best young men as the boys grow up, but they pull away many of our good American dollars, which ought to be spent right here, where they would do the most good.

What is your favorite book? The Mail Order Catalogue? Ah, so we thought!

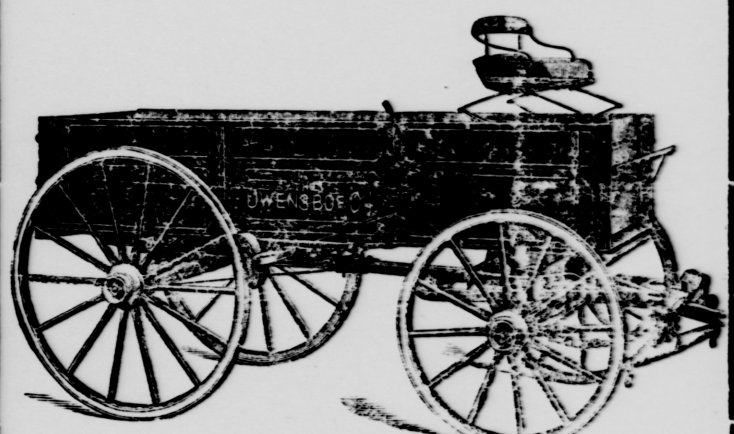

Now suppose, just for a change, you read your local paper carefully, watch the advertisements, and if you don't see what you want ask the home merchant for it. Suppose all of us trade at home a little more regularly. That ought to help make this a better town.

And maybe if we'd keep more of our money at home to build up the town we'd keep more of our boys at home.

In Memoriam.

One of the loveliest and sweetest of
womanly characters was lost to Gar-
rard County when Mrs. L. L. Walker,
formerly Elisa Lusk, passed away at
Colorado Springs on the 26th day of
February last. Coming from a grand
old family, endowed by birth with
every thing which goes to make a no-
ble and womanly woman, from her
earliest girlhood until she breathed
her last, she lived and acted in a way
that shed lustre on an already honora-
ble name and made the community bet-
ter for her having lived therein. Hope
and gladness followed her every where
she went and into every life she entered,
sunshine was crowned its king with
faith as a powerful scepter. During
her life as a teachers many seeds were
sown in the hearts and minds of the
young which have, long ere this, taken
firm root and will, in the years to
come, bring forth fruit which will
rival in strength of goodness and beau-
ty, the expectations of her fondest
dream. She was not alone a teacher
of children; but gave to all with whom
she came in contact, such lessons as
would lighten each burden and trans-
form the otherwise rugged path of
life into a highway of promise and love.
"There is a silver lining to every cloud"
I have often heard her say and in this
belief she lived and died. Her last
words "Lewis will be here Friday" are
the beautiful evidences that the hope
of seeing the one nearest and dearest
to her—the silver promise in the cloud
of death was her sustaining power in
the passage from this to the better
World. In the capacity of Superinten-
dent of School, she displayed the same
gentleness of spirit which character-
ized her private life and through it gain-
ed a host of friends and caused the
teachers under her supervision, to
seem drawn together in one great
bond. I shall never forget the canvas
we made together in '97. She seemed
to draw people to her with an ef-
fort and whether in the fields on horse
back, in the different homes of the
county soliciting votes or whether in
the choir of some old church mingling
her wonderful voice in the services of
hour, the true woman stood out above
every thing else causing her to be lov-
ed by every one who knew her. As an
old gentleman in the lower part of the
county said, during that campaign,
"It would just seem like committing
a sin not to vote for her."
She was a Christian in the truest
sense of the word and her acts of gen-
tleness in the every day walks of life
preached more eloquent sermons than
is heard from many a pulpit. It is need-
less to say that she met death with
that same undimmed faith with which
she met the struggles of life. No mat-
ter how many years I shall be permit-
ted to live I can never forget the
woman nor the life. To the one upon
whom this sorrow must fall the heart-
iest, her husband, my boyhood friend,
I would commend her pure and Godly
life as an inspiration in the days to
come; for his consolation in this hour
of sorrow, more than any thing else,
will be blessed memories of her who a
few years ago, a few years ago, placed
her all in his keeping and clung to him
faithfully until her summons came to
bid this world good-bye. * * *

Saved Her Son's Life.

The happiest mother in the little
town of Ava, Mo, is Mrs. S. Ruppee.
She writes: "One year ago my son was
down with such serious lung trouble
that our physician was unable to help
him; when, by our druggist's advice I
began giving him Dr. King's New Dis-
covery, and I soon noticed improve-
ment. I kept this treatment up a few
weeks when he was perfectly well. He
has worked steadily since at carpenter
work. Dr. King's New Discovery saved
his life." Guaranteed best cough

Liberal Offer to Treat Worst Case of
Catarrh.

To the Editor:

We have such an unusual offer
to make to your readers, one that
will be of the greatest value to them,
that we hope you will give this letter
prominent location.

For some time we have had
an opportunity to watch the results
following the use of Hyomei, a treat-
ment for catarrh that cures by
breathing medicated air, absolutely
without any stomach dosing. The re-
sults have been so remarkable that
we feel justified in making a
public offer to treat the worst case
of catarrh with the understanding
that if Hyomei does not cure, it will
cost absolutely nothing.

People who have spent a great
deal of money with catarrh special-
ists, deriving but little benefit, have
seen almost immediate good results
from the use of Hyomei, and con-
tinued treatment with this remedy
has resulted in a complete and last-
ing cure.

The complete Hyomei outfit costs
only \$1, and consists of an inhaler
that can be carried in the vest-pock-
et, a medicine dropper and a bottle
of Hyomei. Should this not be
enough for a cure, extra bottles of
Hyomei can be obtained for 50 cents.
Compare this small expense with the
fees charged by specialists, and re-
member we guarantee the treatment
will cost nothing unless it cures.

Very truly yours,

R. E. McRoberts, Druggist.

Eat What You Like

Don't Starve or Diet, but use Mi-o-na,
and Cure Your Stomach Troubles.

The average treatment of stomach
troubles consists of a rigid diet list
which often half starves the patient.
Of course it would be foolish for any-
one who knows that some foods are
positively harmful and poisonous to
continue eating them, even while fol-
lowing the Mi-o-na treatment, but in
ordinary cases of stomach troubles it
is not necessary to starve or diet if
Mi-o-na is faithfully used, a tablet
before each meal.

This scientific remedy, for the cure
of stomach troubles, acts upon the
whole digestive system, and strength-
ens the organs so that they are able
to digest any food that is eaten with-
out fear of distress. If you suffer
from loss of appetite, belching of
gases, sour taste in the mouth, fur-
red tongue, severe pains in the re-
gion of the stomach, depression of
spirits, bad dreams, lack of energy,
a stomach cough, offensive breath,
headaches, back aches, loss of
strength and weight, you can be as-
sured that these troubles are all due
to imperfect digestion.

Strengthen the stomach by taking
a Mi-o-na tablet before each meal,
and soon you will gain in weight,
strength will return, and your food
will give nourishment so that the
rich red blood will carry good health
to every part of the system.

We have so much confidence in
the power of Mi-o-na to cure stom-
ach troubles and resulting ills, that
we give a guarantee with every 50
cent box to refund the money unless
it cures.

Always Keeps Chamberlain's Cough Remedy in His Home.

"We would not be without Chamberlain's Cough Remedy. It is kept on hand continually in our home," says W W Kearney, editor of the Independent, Lowry City, Mo. That is just what every family should do. When kept at hand ready for instant use, a cold may be checked at the outset and cured in much less time than after it has become settled in the system.

This remedy is also without a peer for croup in children, and will prevent the attack when given as soon as the child becomes hoarse, or even after the croupy cough appears, which can only be done when the remedy is kept at hand. For sale by R E McRoberts The reliable Druggist at Lancaster; Im

Death Claims a Noble Life.

Hon frequently of late has God been reminding us of the shortness and the uncertainty of life! The old, the mid die aged, the young are alike being summoned an ah! in what rapid succession! "One by one they are gathering home." Such was the case when on Friday afternoon March 8th Robert Long, of Lancaster, Kentucky, answered the summons of the death angel and passed from his earthly home to the home of his Savior. Death is sad at all times. It is sad even in sad even in old age, when weary limbs lay down forever, but to be cut down in the middle of life is sadder still.

His illness occasioned by appendicitis was very brief, and though his family and friends are stricken with grief, they have the consolation of knowing that their loved one as he hung to the hand of Jesus was led gently and safely home.

Deceased was a loving and devoted father and husband, add in home as in all places, he was always the same jolly, generous hearted man. The remains were interred in Lancaster's "beautiful city of the dead," Saturday afternoon at two o'clock.

We extend our deepest sympathy to the bereaved family. God bless an comfort their bleeding hearts and may they remember that all things work together for good to them that love God.
